

September 2025

Dear Parents/Carers,

'All About Me' Homework Project

Our topic this half term is called 'Marvellous Me' and we are looking forward to getting to know your children and look forward to them learning more about themselves and sharing it with us.

We would love you to work with your child to produce a piece of work all about them. This could include facts and information all about your child. It can include pictures, a family tree, drawings – be as creative as you wish! It can be presented as a poster, leaflet or in a scrapbook – around this page are some examples of last year's projects. We do not want you to go to any expense and please ask if there is anything you need, as we are able to help with some resources.

The projects are due in on **Monday 29th September** and then parents are invited into share their child's and their friends' projects from 2:30pm on Wednesday 1st October. This will take place in the classroom. Due to the size of the rooms, we ask that only one family member for each child attends. We fully understand not every child will have someone due to work commitments. Please do not worry, your child will have the opportunity to share their project and will not be alone.

Pinterest has plenty of ideas and examples of projects. Please come and speak to us if you have any questions.

Happy creating!
The Key Stage One Team
