

Tricky Word Challenge

Autumn 1

Each half term children are expected to be able to read new tricky words by sight. This means they can recognise the words by looking at them and not by sounding them out. We will be learning these words for five weeks and testing them at the end of the Autumn 1 half term. Will your child receive their Phase 2a Tricky word certificate?

The words this half term are;

is

I

the

Use the flashcards to cut up use to help you child learn to read.
