

Tricky Word Challenge

Summer 1

This half term children are expected to be able to read the remaining Reception tricky words by sight. This means they can recognise the words by looking at them and not by sounding them out. Will your child be able to read all of these words by the end of the half term and receive their Phase 4a Tricky word certificate?

The words this half term are;

said	so	have
like	some	come
love	do	were
here	little	says
there	when	what
one	out	today

Use the flashcards to cut up use to help you child learn to read.
